## Electronic Waste & Household Household Hazardous Waste Collection Days 2022

Albion Borough will be hosting an electronic waste and hazardous waste collection opportunity at the Borough Garage through the Erie County Recycling Program. This year the collection day will be held on June 11, 2022. All participants must register.

These drive-thru programs are designed to provide residents with safe and convenient recycling of any unwanted electronic devices or household chemicals. Due to the COVID-19 pandemic, credit card will be the **ONLY** form of payment that is accepted. Cash and checks will **NOT** be accepted. After completion of an online registration for the program, residents will receive an email confirmation for their upcoming scheduled date. Text and email reminders will be sent to each participant leading up to the event. Appointments are required to help reduce traffic flow and wait time. All chemicals must be clearly labeled and securely sealed. Containers greater than 5 gallons in size will **NOT** be accepted.

The link to register is on the Albion Borough website: [www.albionborough.org](http://www.albionborough.org)
