Winter is Coming!

With snow just around the corner Public Works Foreman, William Snow, asks that residents refrain from parking on the streets after 2am.

Winter parking is in effect, which is no parking on Borough streets 2:30am to 6am. "When people park on the streets, I don't think they realize how difficult it is plow around the vehicles. Keeping the street free of vehicles will help ensure snow plow operators are able to properly clear streets of snow and get them salted." stated Public Works Foreman William Snow.

Public Works Department Purchased a New Street Sweeper

Borough Manager Gary Wells and Public Works Foreman William Snow worked together to purchase a new street sweeper for Albion Borough. "The previous street sweeper was constantly breaking down" stated Public Works Foreman William Snow.

Public Works Foreman William Snow recommended the Johnston VT-651D Chassis Mounted Vacuum Street Sweeper to the Albion Borough Council after several demos. After thoroughly discussing the pros and cons between purchasing and leasing a street sweeper for the Borough, the Albion Borough Council made the decision that purchasing a new street sweeper was more financially sound

After several demos the Johnston VT-651D Chassis Mounted Vacuum Street Sweeper was highly recommended"

Albion Borough Council 2022 Elected Officials

when compared to the option of leasing a street sweeper. The Albion Borough Council voted to purchase the street sweeper based off the Public Works Foreman's recommendation for the amount of \$270,000.00 from U.S. Municipal. "The Johnston VT-651D Chassis Mounted Vacuum Street Sweeper was paid in full, we did not need to finance it" stated Borough Manager Gary Wells.

As we thank Greg Hemmis and Pete Rotko for their service on Albion Borough Council, we welcome Jacqueline Ksenich and Scott Seaton to Albion Borough Council. Donald Bamberger, Jason Harayda, and Rebecca Marshall their service on Council alongside Brett Hall and James Vorse. Will Rogers will continue serving Albion as the Mayor.
