

# ALBION'S COMMUNITY NEWSLETTER

First Edition  
Nov. 19<sup>th</sup> 2018

## **Welcome Reader's**

We welcome each and every one of you to the Albion Borough News Bulletin. In this Bulletin we hope to bring you *new* news and old news.

We will publish a Newsletter quarterly with the next one available January 07, 2019. If your group or organization will be holding an event, please send a flyer and or the information to bershelman64@gmail.com or contact me at 814-882-6200.

This publication will be short and getting us off to a great start with more news and activities to come.

## ***Let's work together to implement Albion's Plan***

The Borough of Albion is happy to announce that the update to our comprehensive plan is nearing completion.

Earlier this year, our residents, business owners and community leaders identified Albion's top priorities. We want to promote Albion and Strengthen community pride through an improved newsletter, Borough website, social media and better media relations. We want to maximize the potential of our Public Park and fairgrounds by holding more regional events and providing more social and recreational opportunities.

We want to improve our neighborhoods by improving the quality and condition of our housing, improving safety, and beautifying them with trees, attractive landscaping and holiday decorations. And we want to work with the Albion Area Chamber of Commerce to support our local businesses.

Albion's Plan has been developed to help us address these priorities. It provides realistic, financially feasible, and achievable steps towards improving our community. However, the Borough won't be able to implement the plan on its own. The success of this plan will require the support and active participation of the entire community.

To learn more about Albion's Plan, please join us for a public meeting on Wednesday, November 28th at 6 pm at the Albion Fire Department. Light refreshments will be served. Doors will open at 5:30 pm.

Information about Albion's Plan can be found on the Albion Borough's Website or by obtaining a copy at the office, one can also be emailed.

We are looking forward to working with Erie County Planning to help our community move forward with the above mention concerns that our community expressed with the survey.

**WINTER REMINDER'S**

*LEAF AND DEBRIS PICK-UP IN THE BOROUGH*
