Public Comment: **J. Van Slyke, 18 West Avenue:** discussion regarding concerns over the MMESC meeting and the budgeted amount they are requesting from the Borough. The issue of the incorrect census being used was not corrected or even addressed at that meeting. It's a lot of money that is being expected for the Borough to pay for Cranesville Volunteer Fire Department services. **J. Harayda:** I know what your complaint is about, but due to nothing being corrected at this point with the MMESC and the incorrect census being used, we are not voting on anything
