**Municipal VFD
Meeting**

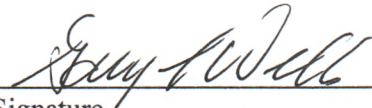

G. Hemmis: Jason Harayda and I have been involved with this merger since May. It is at a standstill; it's not going to happen. The positive side is that the four Municipalities are working together, we see things on both sides that we do not like. The other Municipalities are waiting on Albion Borough and Conneaut Township to deal with AVFD. We have a problem with AVFD not giving financials and reports. There will be a meeting with all Municipalities at the Borough Office October 7, 2021 6pm. There will be no fire departments at this meeting.

General Code

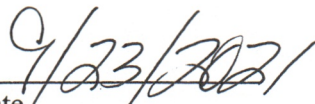

Will make things more uniformed, updated verbiage. It has been advertised in the Erie Times to be voted on by the next meeting.

**Adjourn
