QUORUM NOT MET

PLEDGE OF ALLEGIANCE

Council President: Since we do not have a quorum we cannot conduct any formal business, but we will receive any public comments if anybody has anything to say.

Discussion: **Laurie Vorse, 236 East Pearl Street:** I just want to say thank you to Gary and the Streets Department for filling in the pot holes. I really do appreciate that.

WECEMA **Chuck Kanarr:** discussion regarding amateur radio system. You need a method of communication is cell towers go down. As far as someone to run it, I have some that is close or if someone would like to get trained.

Council President: Move meeting to tomorrow, March 20, 2019, at 7pm.

Police Report: **Chief Ries:** All new County radios have been installed. Working on July 3rd with Borough Manager. 180 updates going on in April and I have a couple officers that need to attend, so I am asking for more hours. EMA applying for a grant, we do have enough in our reserve funds, but do we want to use all of our reserve funds. Municipalities may have to chip in roughly two hundred dollars (\$200.00) per Municipality.
