Absent: Sam Steff, Brett Hall

CALL TO ORDER 6pm

PLEDGE OF ALLEGIANCE

Public Comment **Laurie Vorse, 236 East Pearl Street:** I attended the meeting Tuesday and I just wanted to say it was very informative and very good. I think it will be a good plan.

AVFD Albion and Cranesville both here to official state that the two departments have voted to merge the two departments. We are planning an informational meeting with all the Boroughs and Townships. We need the Borough to draft a resolution that when this new entity opens up you will contract with them for your emergency services.

Comprehensive Plan Need to take out of the planning stage and into the implementation stage. This needs to be community driven. Need two members for the Planning Committee Board.

Habitat for Humanity Was a very informative meeting. Everyone learned more about the program and what the criteria are for the potential new homeowners.

Quality of Life Ticketing This falls in line with our Strategic Plan, this is something we have been discussing in great detail for some time now. This deals with the condition and quality of or Borough.

202 East State Str. Testing done last week; DEP was on site watching the samples being taken. We do not have the results yet, will take a couple weeks. Once we receive the results it will then determine where we proceed as we move forward.

COVID-19 **R. Irvine, 147 West State Street:** we can not depend on the Federal Government, our population has a lot of senior citizens. What I am asking for is somebody on Council, 1-2 people, including myself and maybe somebody from the food bank, somebody from the school, the Pharmacy to get a board together to sit down and talk about a response is somebody here gets this.

Easter Egg Hunt April 5, 2020 at the Albion Borough Park at 12pm - 6pm

Voting Machine A.V.F.D. March 26, 2020 voting machine demo form 4pm - 7:30pm.
Residents will be able to go and actually see the new voting machines and how they operate. People will be there to answer any questions residents may have.

E-Waste Collection Day June 13, 2020 at the Borough Garage. They take the first 100 people, so call to get on the list. This is in addition to the clean-up day we participate in in the fall.

Adjourn Meeting Motion made by **J. Vorse**, seconded by **S. Kramer** to adjourn the meeting at 7:10pm. All in favor.
Motion carried.
